Grids may then be filled as shown. Note that in one grid the letters in the spaces between the Across entries spell a series of female animal names. The equivalent letters in the other grid spell the male counterparts of these animals, but jumbled and missing one letter. In order, the males are JACKASS, TIERCEL, GANDER, BOAR, BOOMER (kangaroos), PEACOCK, and ROOSTER. Missing letters in order spell the answer SENORES.
