

CRYPTOINFORMATICS

At NPLabs, we have designed numerous exercises to determine how information is preserved during transfer, though sometimes our designs could use a little work.

Next time use these only for ordering purposes!

These are in the right places, but they're too vague!

- Annie Hall director
- Borrower's counterpart
- Causing damage or injury
- Connection between banks
- Evict
- Not flat or sharp (2 wds.)
- Property left in a will, collectively
- Thighmaster pitchwoman
- United, for example
- Wife or husband

Sure, these go into the blanks, but how will people know which ones?
