

CRYPTOSPECTROLOGY

At NPLabs we apply science to the detection and study of spirits, which seem to ignore the usual laws governing the occupation of physical space.

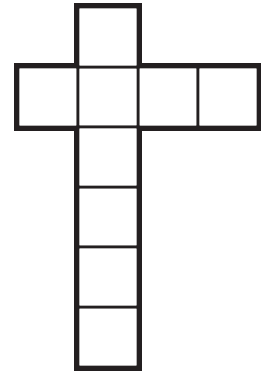

W T S S R P E A A

Fight
Show signs of stress

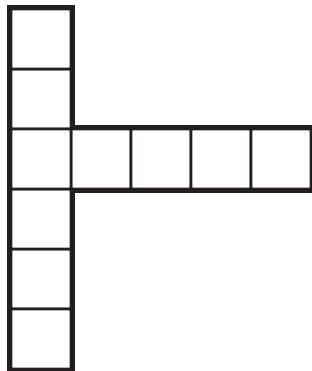

Y W W N L I D A

Like a fox
Wee hours occurrence

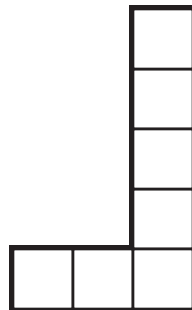

C C D D D E K L O U

Common lake sight
Treat like a baby

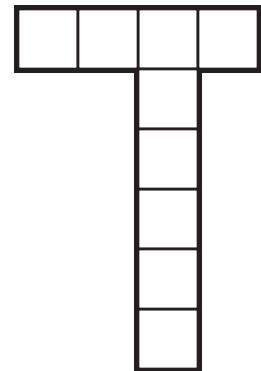

A B C D E L L S T U Y

Contacted from a distance
Like Mae West, famously

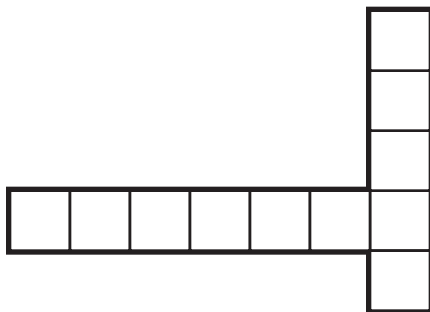

A C D E H I M S

An old light bulb might do this
Thelma and Louise end up in one

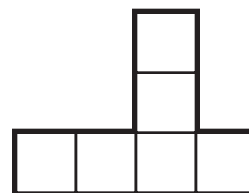

A B E H L O R T T U

He contrives perils for
Superman in the comics
Strike violently

T R P O O N M L E D A A

Change the surface of an object
by a thin layer
Welcomer of entrants

B F L O O W

Goose or dodo
It might follow a live performance
