

# PYRAMIDS SOLUTION – SEVENTH DIMENSION

Clue answers can be placed in the pyramid grids as shown below. The preplaced letters A-E not only order the grids, but disambiguate placement, as each of those letters occurs only once in any reflected or rotated version of that letter's position. It is easiest to place the Outer Layers answers, followed by the Secret Passageways, then Inner Layers, and finally Wormholes.

The Wormhole answers are entered in straight lines running through the core of the pyramids, but each time they change layers the path advances to the next pyramid in A-E sequence, looping to the beginning as needed. Wormhole entries are shown in various colors below, for clarity.

When all Wormhole entries have been filled in, the innermost spaces read, in pyramid order, "Corrupted Lullaby Band", which is SEVENTH DIMENSION.

Wormhole Answers (clue order): **PRECLUDABLE**, **LEFT OR RIGHT**, **DIRTY BLONDE**, **DEAL A BLOW TO**, **HONOLULUANS**, **STRIPTASES**, **AIR FORCE ONE**, **ORPHAN BLACK**, **RECAPTURERS**, **MILO AND OTIS**
