

NEFILE'S PUZZLE SOLUTION - NIHL DICIT

Left-side answers all have a silent letter. These can be matched to words or phrases on the right that might result if those silent letters were voices. Crossed letter strings are ordered by silent letter: (c)HE (g) SA (k)YS (n)NO (p)TH (r)IN (s)GI (t)NLE (u)GA (w)LL (x)AT (z)IN, yielding the clue "HE SAYS NOTHING" IN LEGAL LATIN, which is NIHL DICIT.
