

शिता'इ टेस्ट

SOLUTION - BRILLIANT BUDS

Use the instructions given in Sita's test to generate a new list of answers in the order given. Each of these answers clues a type of flower. As alluded to slightly but the "in so many words" in the intro, use the stated number of words in each answer to index into the flower to derive the final answer, which describes both the colorful blooms and this puzzle set's honorees.

MARGARINE
