CRYPTOACOUSTICS

The sound engineers at NPLabs strive to create an acoustically vibrant environment (there may be a few dead spots, but they're nothing to speak of).

1   Desolate area, or T.S. Eliot masterpiece (with "The")
2   Samuel Adams, for one
3   Part of Norman Bates's story
4   Breed of toy dogs sometimes called "Lion-Dogs"
5   Retail outlets with multiple locations
6   Household outlets once used to connect with Ma Bell
7   How something is purchased when you've never laid eyes on it
8   Certain television viewing hours
9   Gush over, in poetry or song
10 "Austin" or "Texas" (as opposed to "Teki", e.g.)
