

SECRET SIGNS (META PUZZLE) Solution: NO ENTRANCE

Ingredients given with this puzzle cannot actually fit into the grid as described. Instead, they must be replaced with the individual puzzle answers associated with them. Following the doll's various instructions, enter the answers as shown below to form a *Yajilin*, or "Arrow Ring" puzzle, as suggested by the golden and silver objects you've found. Striding the path with your seven-league boots, taking every seventh letter after the first, spells the secret sign NO ENTRANCE.
